

I did not receive a card after my first vaccination. How do I prove my vaccination status?

I am sure you're aware that COVID-19 Vaccination is not mandatory. The cards are only intended as a prompt for second vaccinations, so please be assured that you do not need it for any other purpose.

If you require proof of your vaccination status, you can get this via the NHS app or website once you have had both doses, or by calling 119. Details of how to do this are available at <https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/vaccination-status-for-travelling-abroad/>
