

NHS Calderdale CCG's response to your request can be found below.

1. Currently how many Adults and Children's CHC Assessments are outstanding within the CCG

As of the 19th August 2021 there are 5 initial assessments (DSTs) outstanding within the 28 day pathway. There are currently 0 outstanding reviews (Any reviews due in August 2021 are currently being actioned within this month).

2. How are the CHC assessments broken down

***Addition info** can you break down by assessment type for example, Initial and Review plus any additional assessments the service may carry out*

Please see response to question 1.

3. What staffing groups complete the assessments (for example, Qualified Nurses, Occupational Therapists, Physiotherapist, Qualified Social workers)

Nurses and Qualified Social Workers complete the assessments.

4. Who is the budget holder for this project and what are their contact details?

Sarah Antemes
