

FOI 2022091- Contracting

NHS Calderdale CCG's response to your request can be found below.

Please can you provide details of when your Blood Glucose Test Strip (BGTS) is up for formulary review.

The new formulary was due to be complete by mid-2020. Whilst we recognise that the work is due, it is delayed due to the COVID-19 Pandemic. Preparatory work in advance of the review is now ongoing, but we have no firm date for completion.

Also, may I ask for email contact information for your Formulary and Medicines Management Teams in order to provide details of recent price reductions on FP10

The medicines optimisation team can be contacted at:
calccgmedicinesmanagement@nhs.net
