[NHS Calderdale CCG's response to your request can be found below.](#)

I just wanted to ask if I want to set up a ultrasound company to provide scans for abdo, gynae and MSK work.

What is the tariff for each scan performed please so I can work out costs if it's feasible for me to set up.

Calderdale CCG (CCCG) AQP Diagnostic Non-Obstetric Ultrasound Service (NOUS) payments as at 1 October 2021:

RD40Z Ultrasound Scan 0-20 mins - £42.16

RD42Z Ultrasound Scan 20-40 mins - £53.48
