

FOI 2122121 – rheumatology

NHS Calderdale CCG's response to your request can be found below.

- 1. Via the Freedom of Information Act, I would like to request a pdf copy of the rheumatology high cost drugs pathway for CCGs under your jurisdiction for the following conditions:**

**rheumatoid arthritis
psoriatic arthritis, and
ankylosing spondylitis**

The CCG does not have current pathways for the use of these medicines in these conditions which are managed by hospital specialists but can confirm we commission in line with NICE Technology appraisals and guidelines.
