

FOI 2122123- Communication

NHS Calderdale CCG's response to your request can be found below.

- 1. Please could you provide which system suppliers the acutes and primary care practices use for their Order Communications Management Systems (OCMs) and also their Laboratory Information Management Systems (LIMS)?**

Primary Care utilise CliniSys ICE provided through the local acute trust.

We do not hold information on other OCM or LIM systems used by the acute trust
